

TOGETHER WE MADE IT HAPPEN

Dear Friends, Neighbors & Partners,

In this Annual Report you will see snapshots of the programs and the staff, supporters, volunteers and guests who worked hard to make **"it happen"** this year.

We celebrate the roles we all play including our friends, neighbors and partners. It is this **collaboration** that allows The Haven of Grace to provide a safe, nurturing home, educational programs and long-term support for mother and child.

We are more than just members of this community. We have a vested interest in its success. For many young mothers in our neighborhood the shelter and transitional apartments really are **"A Haven."**

As we strive for a better tomorrow, we remain **grateful** that you are at our side today. Thank you for investing in the futures of our children and families through our work. **Your belief in them, and your trust in us, move us forward.** Thank you.

Blessings to you and yours in 2016,

Michael Moisio
